(F) Fundamental. Rule 46(a) Supplementary Rules

(3) 9.12.

Letter No.4461/17-24, dated the 12th December 1931, from the Inspector of Schools, Coorg and Bangalore.

The Inspector of Schools requests permission for the clerks and peons of his office to undertake work in connection with the following examinations and to accept remuneration for the work. Hitherto this was done without the permission of the Resident.

1. Cambridge Local Examinations.
2. Trinity College of Music Examinations.
3. Examinations of the Associated Board of the Royal Academy of Music and the Royal College of Music.

The Inspector has not specified who are the clerks & peons that will undertake the work. This may be asked for.

Under clause (c) of Fundamental Rule 46, the sanctioning authority should record in writing that due regard has been paid to the general principle enunciated in Fundamental Rule 11 and should record also the reasons which justify the grant of extra remuneration. Under Fundamental Rule 11, the whole time of a Government servant is at the disposal of the Government which pays him, and he may be employed in any manner required by proper authority, without claim for additional remuneration, whether the services required of him are such as would ordinarily be remunerated from general revenues, from a local fund or from the revenues of an Indian State. In this connection, please see also S N 46/a 182/29.

Under Supplementary 13, when an honorarium or fee is paid from a source other than general revenues for wor done by a Government servant during time which would otherwise be spent in the performance of official duties, the honorarium or fee must be credited to general revenues provided that a competent authority may, for special reasons which should be recorded, direct that the whole or any part of it may be paid to the Government servant.

If approved, the Inspector may be asked to give more particulars about the work so that we might consider whether the whole or a part of the remuneration should be credited to Government under Supplementary Rule

In S.N. 4 sanction was accorded to the undertaking by the clerks and peons of the Office of the Inspector of Schools of work in connection with the examinations mentioned in the P.U.C.

Sanction was also accorded in the past to the above clerks and peons accepting remuneration for the work done. Similar sanction is now asked for and may be accorded.

Please see para. 4 on previous page. In the Govt. of India Finance Dept. letter No. 5253-R.I, dated the 18th Dec. 1931, it was suggested that, in the case of a specified service or series of services performed by Government servants for a private person or body, competent authorities should see that Govt. was given a share wherever possible and that this share was made as substantial as circumstances would permit. Following the above orders, the Accountant General, Madras,

S N. 4

enquired in connection with a commission of Rs. 50 paid to the Registrar of the local Dt. and Sessions Court, for checking accounts of a private party, whether it was not considered necessary in view of the present financial conditions to credit a portion of the amount of commission to Govt. A 10% cut of the commission was accordingly ordered in this case and credited to Govt. We have ever since been cutting by 10% similar remunerations paid to the Dt. Court staff and creditting the same to Govt. It seems reasonable to impose a similar cut in the present cases also.

OFFICE OF THE RESIDENT IN MYSORE. BANGALORE. 14 DEC 1931 Regd. No. 11,601 No. 306A/31

Dated 12-12-31. ~~192~~

From F.F.C. Edmonds Esq., M.A., B.Sc.,
Inspector of Schools, Coorg & Bangalore.

To
The Secretary to the Hon'ble the Resident
in Mysore, Bangalore.

Sir,

I have the honour to bring to your notice that the clerks and peons of my office are usually paid some - remuneration annually for the work done by them during the year in connection with the following examinations:

1. Cambridge Local Examinations.
2. Trinity College of Music Examinations.
3. Examinations of the Associated Board of the R.A.M. and R.C.M.

2. The Inspector has been the Local Secretary for these examinations since their introduction in Bangalore, in 1915 in the case of the Cambridge Local Examinations, and in 1923 and 1925 in the case of the other examinations -- respectively. The local fees, which are charged in the case of the first two examinations under the authority of the examining bodies concerned, are intended to cover the expenses of running the examinations and for the remuneration of the Local Secretary and his office. For the examinations of the Associated Board the Resident Secretary at Calcutta sends a remittance to cover the remuneration to staff and other ~~other~~ expenses after all the examinations of the year are completed. It appears that the practice followed by Mr. Yates was to buy Gramophone records for the office with what might be regarded

as his share of the remuneration and distributed the rest among the office clerks. Mr. McAlpine during his year of office, discussed the whole question with Major Loch and decided to accept his part of the remuneration, having obtained permission of the Local Government to do so under Fundamental Rules 46. The clerks were paid as usual without reference to the Local Government. In the case of the Associated Board Examinations the office only and not the Inspector of Schools is remunerated.

3. I followed the same procedure last year. But I am now of the opinion, that it would be more proper for an order to be issued by the Hon'ble the Resident, permitting the clerks and peons to receive the remuneration. The orders permitting the Inspector to act as Local Secretary of the Trinity College of Music Examinations and the Associated Board Examinations, were passed in your numbers 8879/169A-1920 dated 3.11.1923 and 3180/169A-20, dated 16.4.1925, respectively. I am unable to trace the order about the Cambridge Local Examinations but I imagine that this will be available in your office. In continuation of these orders the Hon'ble the Resident may be pleased to give permanent permission to the clerks to undertake the work as is done in my own case. Then, when I apply, as usual, for permission to receive my personal remuneration I could include an application on behalf of the clerks and peons also. This would satisfy the provisions of Supplementary Rule 9.

Alternatively, the power of permitting the clerks &c to undertake work outside their official duties and receive remuneration from unofficial sources might be delegated to the Inspector of Schools. This seems to me the simpler plan.

4. The work involved in administering these examinations is without question onerous, especially in connection with the Cambridge Local Examinations. It

involves me and at any rate two of my clerks in a good deal of exacting work outside office hours at certain times of the year. The remuneration is fully earned, and this office is the obvious place where the particular work should be undertaken.

5. I shall therefore be obliged if you will kindly move the Hon'ble the Resident to issue an order as requested in para 3 above.

I have the honour to be,

Sir,

Your most obedient servant,

H Edmonds

To

The Secretary to the Hon'ble the Resident

in Mysore, Bangalore.

Sir,

S.N.2

With reference to your No.155/306A/31, dated 11.1.1932, I have the honour to enclose herewith a statement showing the particulars of work done by my office -- establishment in connection with the three examinations, and the usual remuneration payable to them. There are 4 clerks and 3 peons on the establishment but a larger number of clerks is shown in the statement, owing to acting arrangements made during leave vacancies. The totals shown in column 4 of the statements are the amounts usually paid out of the different funds each year.

2. As regards the duration of work and the time devoted to it, I have, as far as possible, shown the - particulars in the last column of the statement. The work is spread over the whole year and the number of days given can only be a rough estimate of the total time spent on this work. It is heaviest, when the entries are received and the lists prepared, and when making arrangements for the examinations, and despatching the answers after the examinations are held. The ordinary office work is of course carried on as usual, but the clerks concerned do much

of this examination work before 11 O'clock and, in the case of the Head Clerk, on Sundays.

I have the honour to be,

Sir,

Your most obedient servant,
